

World body Update 14th October 2009

Trans-Tasman 2010 & Challenge Cup 2011 has been ratified at the IMMNA AGM held on the 13th of October. Trans Tasman Perth 2010 and New Zealand will host the Challenge Cup in 2011.

It was also agreed that New Zealand Club teams would be allowed to compete in the Easter Carnivals held in Australia; teams competing will be pure club teams, not **National Teams**.

The members also agreed that Australian Club or State Teams can travel to play in New Zealand, but the only recognised **Australian Touring Teams will be from AIMMNA**.
